Nasir Tomlin

Summerville, South Carolina, 843-214-7753, nas.tomlin@gmail.com

PROFILE

As a recent computer science graduate with a minor in cybersecurity from Clemson University, I am eager to apply my advanced technical skills and knowledge to real-world software engineering challenges. My academic experience includes hands-on projects utilizing **C, C++, Python, Java, and SQL** and development tools such as **VS Code, Docker, AWS, and Azure DevOps**. I am excited to contribute to innovative teams where I can grow and make a meaningful impact.

EDUCATION

Aug 2020 — May 2024

B.S Computer Science, Clemson University
Clemson, SC

- **Minor in Cybersecurity**
- Coursework: **Software Dev. Foundations,** Network Programming, **Software Engineering,** Database Management Systems, Design Analysis of Algorithms, System Admin and Security, **Cloud Computing Architecture**

SKILLS AND TOOLS

Programming Language/Frameworks

- Programming Languages: Python, Java, **C/C++**, Node.js, **HTML, CSS,** React, Angular
- Frameworks & Tools: VS Code, **Docker**, AWS, Azure DevOps, **SQL Workbench**, Google Cloud
- Methodologies: Agile/Scrum
- Operating Systems: Linux, Windows

TECHNICAL PROJECTS

Aug 2024

Personal Portfolio | nasirtomlin.netlify.app

- A personal portfolio to display my current work and more information about me.

Apr 2024

Good Driver Incentive Program

- Full Stack Website: React, Node.js, **SQL Workbench, Git, Azure,** Agile methodology
- Purpose: Full development of a web application for a trucking company.

Dec 2023

Text to Speech Converter

- Tools: **HTML, JavaScript, CSS,** Netlify
- This tool is used to convert speech into text. The audio can be in various languages from which the user can choose.

EMPLOYMENT HISTORY

Aug 2024

Tech Supervisor, Staples
Clemson, SC

- Manage a diverse team to ensure efficient operations and customer satisfaction, enhancing my ability to work in agile, cross-functional teams.
- Leveraged problem-solving skills to address customer inquiries and issues, reflecting my capacity to troubleshoot and resolve technical problems.

Apr 2020 — May 2023

Office Assistant, A.L.L. Services
Charleston, SC

- Utilized various software applications (e.g., Microsoft Office Suite, database management systems) to organize and manage information efficiently, showcasing strong technical proficiency and attention to detail.
- Managed and maintained databases, ensuring data accuracy and integrity, reflecting skills in data management and attention to detail important for software development.

CERTIFICATIONS/AWARDS

Aug 2024

CompTIA Security+ (SY0-701) Certification

Aug 2023 — Aug 2024

Alpha Phi Alpha Web Designer of the Year
